

Amendments to Off-road Tasmania Guidebook – Edition 4

(Source/Status: - U - User G - Government Agency A – Author UC – Unconfirmed C – Confirmed)

Serial	Page	Reference	Amendment/Comment	Source/ Status
1	15	15.1 & 18.7	Exchange the two coordinates	A/C
2	143	0.0	Delete 41° 19' 45"S 148° 14' 45"E and insert 41° 19' 40"S 148° 14' 50"E	A/C
3	143	8.4	Delete 41° 18' 47"S 148° 18' 49"E and insert 41° 18' 42"S 148° 14' 54"E	A/C
4	82	2.5	A shelter hut has been erected at this site.	4WD Tas Dec 2014
5			Superseded	
6	156	3.3	200m after this point a forestry road will be crossed. To the left the road leads to Mt Albert Road (41° 22' 12"S 147° 54' 48"E) 2.8km east of the junction at the end of this description (41° 21' 53"S 147° 52' 59"E). To the right the road passes through private land to join with Forest Lodge Road (4.2km) at point 3.8 (41° 18' 51"S 147° 55' 03"E) in the Mt Victoria Track description.	A/C Feb 2015
7			Superseded	
8	26	Map	The South Arthur Forest Loop has been sealed for its entire length. This also affects maps on pages 20, 23 and 25.	G/C Nov 2015
9	31	Map	Road C214 has been sealed from Arthur River all the way round to the South Arthur Forest Loop and has been named the Tarkine Forest Drive. Maps on pages 20, 25, 26, 29 & 33 are also affected.	G/C Nov 2015
10	41	Permits	Add "A condition is that convoys only have access to this track." This is to ensure assistance is available to vehicles that may get into difficulty.	G/C Nov 2015
11	76	9.3	The bridge over the Florentine River has been burnt and the road is closed. Access to the Florentine Valley is still available via Jungle Road. Replacement schedule is not known.	G/C
				
12	9		Access to Brushy Lagoon has been closed due to the collapse of a bridge on Brushy Road between points 20.6 and 21.7. Bridge has now been repaired.	G/C Mar 2016
13	91	6.8 7.7 to 11.0	Delete "keep going west" and insert "turn left". Delete 7.7 to 11.0. Insert "3.2 Track enters from the left. Keep left down hill".	A/C Sep 2016
14	44	Difficulty	Report received the difficulty of this track should be regarded as 'Hard'.	U/UC Oct 2016
15	51	Difficulty	Report received the difficulty of this track should be regarded as 'Extra Hard' due to erosion caused by recent rain events.	U/UC Oct 2016
16	76	3.5	Report received that the bridge at point 2.0 on the Tiger Road (see top of page 77) has collapsed.	U/UC May 2017
